## The Elections

Messrs. Bradley, Brown and Nablo were the successful candidates at the recent village election, and they were elected by good substantial majorities. After the results of the poll became known the successful candidates showed their appreciation by treating their friends to an oyster supper at Kwong Lung's Restaurant. About thirty were present and the oysters and other delicacies were thoroughly enjoyed, after which the following contributed songs: Sandy Durham, Jas. Anderson, Harry Bowen, Joe Hallet, J. A. Wickers, J. S. Elvers and E. S. Elvers. Speeches and stories came forth from R. S. Knox, J. W. Bradley, Dr. Brown, Lorne Tiffan, L. Beaton, Ed. Brewster, Alex. F. H. Scragg, L. Caspell and B. G. Widdup.

Elves was occupied by Col. Schwoob, whose genial and smiling countenance made everyone feel at home, and the evening passed off nicely.

## Bank of Hamilton Prospering

The shareholders of the Bank of Hamilton have reason to feel pleased over the evidences of prosperity contained in the annual statement presented to them at the thirty-ninth annual meeting of the Bank, which was held on the 16th of January.

From \$3,000,000, a year ago, the Bank's total assets have increased to \$41,314,365.21.

On the 30th of November, 1909 the balance at credit of profit and loss account was \$403,665.32. This has been augmented by the past year's profits and by premium received on new stock, to a total of \$1,006,325.34. Out of this last sum, \$500,000 has been carried to the Reserve Fund; \$25,000 carried to Rebate of Interest account; and \$25,000 written off Bank premises; the dividends, amounting to 10 per cent., disposed of another \$258,514.53—thus leaving \$192,810.81 to be carried to the credit of Profit and Loss account.

Deposits show a large increase over last year. The Reserve Fund shows an increase of about \$500,000, while the capital stock is \$2,680,570.

Altogether the report shows a highly satisfactory condition and furnishes further proof of that careful direction of the Bank of Hamilton's affairs that has brought this institution to the position it occupies among leading Canadian banks.

**There's a Reason**  
KNOW something about the things you buy—"read up" about them in the ads.

Yes, you can buy it cheaper at one place than another—if you couldn't there would he no need of more than one store.

Ignorance of the stores is ignorance of one half of life's zest in this town, making you immune to half of its lure. Ignorance of store ads. is ignorance of the stores.

British emigration to Canada for 1910 totalled 115,754 persons.

## Miss Gold Feet

Sweet Valley, Jan. 12, 1911.  
Miss M. H.,  
Squaw Coulee, Alta.  
My Dear Unknown Friend,—  
It was with mingled pleasure and surprise that I received your very interesting letter, and was greatly pleased by your extended sympathy.

I will now endeavor to explain what I mean by my surprise. I was not aware that my poem had been published in the Cayley Hustler. Really, Miss Black Eyes, I feel very highly honored so much attention has been paid to my humble production by being published in the world-famed paper and extensive column of the Cayley Hustler. Ha, ha!

I was aware that my poem had been published in a local Eastern paper, namely, the Flesherston Advance. Are you sure you have not mistaken the name of the paper? I know of one young lady who received the Advance in Cayley, but I don't believe she is the writer of the very interesting letter I have received. However, I feel assured, should you favor me with a reply, that you will be good enough to disclose your identity. I received your letter as it was intended, as a good joke, and I thank you very sincerely. I also feel very confident that owing to your many accomplishments and sweet temperament that you are just the companion I have been looking for all these years. And regarding the cold feet question, we could provide hot irons to surmount that difficulty. Ha, ha!

If you are having as cold weather at Cayley as we are here I do not blame you for having cold feet, and if you can beat me in that line at present you are a dandy. Weather has been forty below for about a week, but is warmer to-day. So I agree with you. I would be far better with a woman your weight, even if I did have to build the morning fires. Ha, ha!

Well, my unknown friend, I think as I am nearing the bottom I will conclude, trusting that your heart is in the right place, and that you will favor me with a reply in the near future. Wishing you all the accomplishments (I mean compliments) of the season, I am, Miss Gold Feet,

Your Would-Be Friend,  
G. O. KAATING.

Here are a few snow birds for you—

Commissioner Coombs and Col.

Lamb, of the Salvation Army, have been touring the West and making arrangements for the placing of immigrants who will come to Canada under the auspices of the Salvation Army this spring. These will consist of farm laborers and domestic servants. A number of Canadian officers of the army are now in the old country for the purpose of selecting immigrants. The people who come to this country through the army are of a very desirable class, being especially selected by experienced agents who are familiar with the class of work to be done.

## LONGBOAT STILL FIRST.

Onondaga Runner Has Never Been Surpassed by Any Indian.

She is the acknowledged Queen of the Iroquois. Canada has produced many Indian runners, but there was only one Longboat.

Big Chief was the king-pin of them all, but up to date none of them has done and nothing that is likely to shake the Onondaga from his position as the greatest Indian runner of the age, says a man who was one of the discoverers of the Indian runner.

Since 1907 and 1908, when Longboat ran, several hundred men have passed the roads in short pants and singlets, and the Indians and the doctors did me no good. I was dreadfully ill until I began taking your medicine. It has not only helped other women to get well, but I have recommended it to many.

## HE KNEW WHAT FIXED HIM UP

DODD'S KIDNEY PILLS CURED S. D. VICAR'S LUMAGO

He Suffered three years, but the great Canadian Kidney Remedy made short work of his trouble.

Edenbridge, Sack, (Special)—"I was one box of Dodd's Kidney Pills and I am well again. I am a simple man. Mr. S. D. Vicar is giving his inquiring neighbors in this town a good example. He has known that for three years he has been suffering from Lumago. Now he is well again."

"My Lumago developed from a cold," says Mr. Vicar, "and I was sick for three years. I was a tired and nervous man. I had a bitter taste in my mouth and morning sickness, accompanied with dizzy spells and was always thirsty. The doctor told me I had to give up my work very much. Dodd's Kidney Pills cured me."

The Kidney Pills went straight to the root of the trouble. They cured his kidneys. The cure kidneys are strong and healthy.

## Fatal Train Wreck Near Macleod

The northbound passenger train  
which leaves Macleod at 7:30 a.m.  
arriving in Cayley at 10:30 a.m.  
was nearly eight hours late on Monday  
owing to very bad accident, where-  
by one man was killed. When  
the train, which was a double-  
header, ran into a switch at No-  
man's Siding, and almost instantly  
the first engine keeled over. The  
tender of the engine, the second  
engine, and the rest of the train  
remained on the track. Roby,  
the engineer of the wrecked en-  
gine, was discovered a little later  
lying dead on the floor of his  
engine with some ugly marks on  
his head, which looked as if he  
had been thrown from his seat  
against the side of the cab and  
then on the floor. It was imposs-  
ible to see but a few feet ahead  
at the time of the accident, owing  
to the drifting snow being so  
blinding.

A wrecking train from Macleod  
was hurried to the scene of the  
accident, and it took several hours  
to clear the line. The body of the  
engineer was shipped to Cal-  
gary, where formerly resided and  
where he leaves a wife and a  
family of four, two girls and two  
boys.

The fireman escaped by jumping.  
The passengers received no  
injury, beyond a shaking up.

The Winnipeg city council will  
memorialize the Dominion govern-  
ment, asking that the next Cana-  
dian Parliament be called the "Win-  
nipeg." Perhaps a more appro-  
priate name might be "Red-  
Light."
